

## **Adriel Magalona**

Senior Front-end Web Developer @ PUP MSC | Computer Science - PUP Manila | DOST-SEI

Undergraduate Scholar | Hackathon Lead

Email: dagsmagalon@gmail.com

Location: Taguig City, Metro Manila, Philippines

---

## **About Me**

I am a university student passionate about technology and computer science. I thrive on tackling new challenges and continuously expanding my skill set. Whether it's coding, problem-solving, or staying updated on the latest technological trends, I am always eager to learn and grow. As I refine my expertise, I aspire to contribute to innovative projects in a professional environment, making a meaningful impact in the field of technology.

---
